FUNCTIONS & EVENTS

THE VIEW

There's nothing else quite like it on the coast. As the sun slips into the Pacific and the hinterland turns softly gold, Sully's Rooftop becomes the kind of setting that makes any gathering worth remembering.

THE EXPERIENCE

We create rooftop events that feel personal, polished and unhurried. Our functions team works closely with you to shape an experience that flows naturally.

High above Mooloolaba, with ocean on one side and hinterland on the other, the setting speaks for itself.

DINING AT SULLY'S ROOFTOP

At Sully's Rooftop, dining is designed to be shared. Our seasonal menus are built around quality produce, local suppliers and bold, coastal flavours that suit the rooftop setting.

For canapé-style functions, selections are curated to flow throughout the event, with roaming bites and substantial options served across the space to encourage connection and ease. Each offering is structured to create movement, conversation and a seamless guest experience from start to finish.

We are happy to accommodate dietary requirements with advance notice. Please advise our team of any allergies or specific requests when confirming your menu selections.
